Fraternities Busy With Installations-Amusement Notes-250 Hungarian Partridges Received-Baptist Church Gives Second Call to Rev. Charles

A large number attended the instaliation exercises of Cochegan camp. Modern Woodmen of America in Hickey's hall. The following officers were installed: Venerable consul, Charles N. Chappell; advisor, Earl Adams; clerk, Michael J. Hickey; banker, Joh. Lynch; escort, Richard Rogers; inside Lynch; escort, Richard Rogers; inside watchman, Fred Spencer, Jr.; sentry, W. A. Kennerson; managers, Fred Spencer, John J. Driscoll, Fred J. Hope; physicians, Dr. Francis J. Harper of Norwich, Dr. E. A. Hencle of New London; finance committee, Edgar Daniels, William Burns, T. J. Broderick; sick committee, Moses Hart, Richard Rogers, Frank Chapman; chief forester, Fred Spencer. The installing officer was Venerable Vice Consul George Stanton of Norwich. After the ceremony supper was served.

ceremony supper was served.

Speeches by members and selections on the mandolin and guitar entertained the committee, rendered by William Burns and Adam Ritchie.

Receipts Over \$45.

The entertainment given on Friday evening by the B, Y. P. U. of the Union Baptist church in Palmer Memorial hall was the best held for years, A party of thirty or more from this place enjoyed a strawride to and from the entertainment. The receipts were over \$45, which will be used to defray the church expenses. The programme con-sisted of a drama, Scenes in a Railroad Station, which made a decided hit. The piece called for 35 charac-ters, and was full of fun from beginning to end. Particularly good were Miss Alice Austin and John Lynch as Mr. and Mrs. Potter; George N. Wood and his sister, Miss Carrie Wood, in Italian costume, sang songs. A quartette, Fred J. Hope, Guy Loomis, Ray Woodmansee and Fred Chapel, representing college students, sang several selections, which were well received. James E. Murphy gave selections on the mandoin and William Burns on the guitar. Every performer came in

for merited appliance.

Mrs. W. Irving Browning of Montville left town Saturday to spend a few weeks with her daughter, Mrs. Clarweeks with her quignter, Mrs. Char-ence Walden, near Boston. Rev. A. J. Wilcox of this village oc-cupled the pulpit in the Union Baptist church, not Rev. Charles E. Miller, as

was at first expected.

Mrs. Charles Ramage has been the guest of Mrs. George Hawkey in New Britain.

Miss Milicent, Bryant of New visitors Monday.

Money for Annual Outing.

The supper given annually by the graduating class of the Paimer Memorial school was held Friday evening in the school building, and was attended by a large number. The proceeds, which amounted to \$20, will be used by the class to defray expanses of the by the class to defray expenses of the

annual class outing.
The case of Mrs. Walter Burdick, who is contesting the will of her father, who is contesting the will of her father, Amos O. Church, which was held Saturday afternoon, postponed from the hearing last week before Charles G. Turner, judge of probate, an appeal was taken to the higher court.

The report of the sale of the woolen was incorrect. That a

mill property was incorrect. That a change in the ownership of the prop-erty is contemplated is true, but nothing has yet been done.

Among those ill are Miss Isabel Smildy, Mrs. Berlard Johnson, Mrs. Michael J. Hickey, R. N. Parish and grandson, Raymond Scholfield, and grandson, Raymond Miss Adeline Fellowes.

Class Officers.

The members of the graduating class in the Tenth district (Uncasville) have chosen officers as follows: President, Robert Dodds; vice president, Ernest White; treasurer, Fannie J. Mitchell; secretary, Florence Beebe; special committee, Earl Smith and Roy Ham-

The second consignment of 250 Hungarian partridges from the state fish and game commissioner was received Saturday. Geme Warden George H. Bradford has decided to keep them in confinement, to be liberated in spring. They are cared for by C. B. Sweet and Thomas Wares.

LEBANON.

Entertaining Speaker from Honolulu-Native Lemon Weighs Eleven Ounces -Tidings from Former Pastor.

The speaker in the Congregational church last Sunday was a native of Honolulu, a young man of fine physique and an enthusiastic and impressive speaker. He is preparing for missionary work among his people. He has good command of the English language, having been in this country about two years, and proposes to be here two years longer. His morning and evening discourses were mostly descriptive of the Hawalian Islands and the remarkable changes that have taken place there within the last century. The speaker, Mr. Akaika Akane has bright hopes for the rapid civil and religious development of his people.

The mercury has been down to zero only once and so far very little snow.

airs, F. P. Fewler has recently picked from her lemon tree a fine specimen
of its fruit. One lemon weighed 11
ounces, while an average lemon, taken
from the store, perhaps a Florida lemon, weighed only four ounces.

Thirty Inches of Snow. A letter from Rev. Stephen Smith recnetly transplanted from Lehanon, to Port Angeles, Wash, states that they were blussed with 20 to 30 inclus of snow in his city and vicinity, and had just been shaken up by an earthquake that "frightened both saints and sinners."

Farmers are now gathering their an-Farmers are now gathering their annual lee crop, which has attained an average thickness of ten incnes.

Mrs. W. L. L. Spencer has gone to Springfield, Mass., to visit her daughter, Mrs. Norman L. Pultz.

Mrs. Fred M. Taylor, who recently had a serious relapse, is again convaluation.

Rev. Eugene Smith of Hartford is expected to preach in the Congrefa-tional church tomorrow.

ASHWILLETT.

Obituary Notes of the Week-Personal Mention.

Mrs. Oliver S. Miller, who died Sunay evening at the home of her son-n-law, William Kilroy, at Yantic, was in-law, William Kilroy, at Yantic, was a daughter of the late Avery N. Eccleston, a lifelong resident of Ashwillett, and the early life of Mrs. Miller was passed here. Aft & her marriage to Mr. Miller they were residents for several years of Clinton, the home town of Mr. Miller. Returning to this place more than forty years ago, Mr. Miller purchased the Denison Wheeler farm, where they resided until the death of the busband and father, in June. 1903. There were ten children by this union, four of whom have died. Mrs. Miller was a typical New England housewife and a conscientious Christian, having been identified with the Methodist denomination.

a pennant."

Tim O'Neil, presilent of the league, paid high tribute to Manager Broley, whose leadership has resulted in Centerdale landing pennants in two suc-It is evident that Broley is as popular with his Rhode Island as he was with his New Landon associates.

Although a trio of appeals have been taken from the decision of the county

Mayor Armstrong has stated his po-sition plainly in the proposed new city and county building matter, and an-nounces that he does not propose to try to influence anyone as to their ne-tion. All that he has done has been in compliance with the expressed wishes of the people and the venomous darts of carping critics will have no effect upon him, he says. He has re-ceived a petition for a special city ulation of Addie, made matters pleasant for his guests.

While not directly interested in baseball when in New London, Mr. Broley
has shown that he knew how to manasp a team that won the championship. The league pennant, the gift of
Hugh Duffy of the Providence Grays,
was on exhibition and admired by the
players who worked to win it under
the guidance of Manager Broley. Duffy sent his regyets and extended his
best wishes to Manager Broley and his
players for their grand work during
the season. He said: "The only thing
to soothe my feelings would be a tin
from Manager Broley as to how to win cerned. Personally, he would prefer some other date, as he will be unable to be in New London on that day. So to be in New London on that day. So Senior Alderman Downey will preside at the session and the mayor cannot be charged with attempting to defeat those who are opposed to beautifying the city with a building that is much needed for city and court purposes, the basis of some of the opposers being that the credit of the building improvement must not be credited to Mayor Armsirong's administration.

There are citizens of excellent stand.

cepted.

It was generally supposed that the inland fishermen here and hereabouts went a fishing for the sport there was in it. There would be almost as much sport fishing in Lake Konomoc, where the fish have not been disturbed for over thirty years, as yanking a sea bass, blackfish or a codfish from well filled fish cars connected with local markets. It would be almost as sporty as shooting a caged tame squirrel.

New London is fortunate in having a supply of pure, wholesome water and

supply of pure, wholesome water and it is not well to take chances of con-tamination just to accommodate a few fishermen competent to furnish a bond of \$100 for observance of the regula-tions. When the health of the people of the city, every man, woman and tions. When the health of the party of the city, every man, woman and child, is at stake, it is wise to let well

With the mayoralty election sine months away, a group of men who resort in the back room of a downtown grocery store and style themselves the Down Town Reading club have muched a candidate for the republican party without taking the present chief magistrate into consideration for renomination. The group is composed in the nation. The group is composed in the main of yacht captains, with a sprink-ling of landlubbers, and all staid men of excellent standing. The pleasing part of the launching is that the candidate is a winner, if nominated, and would receive unanimous nomination if

Although a trio of appeals have been taken from the decision of the county commissioners by those who have been denied liquor licenses, the action of the commissioners is approved by the people of New London in general. Some consider the appeals as a bluff in order that these saloonists may continue in business pending action on the appeal, instead of going out of the business forthwith. The commissioners have evidently given careful consideration to every applicant, and also of course, to the evidence and claims of the remonstrants, and their decision is apparently what would have been the decision of the dear public. There has been improvement in the conduct of the liquor business in New London since the reform work along other lines before the committee is formally discharged.

After considerable persuasion on the section of the semination of the remonstrants of the committee is formally discharged.

After considerable persuasion on the section of the committee is formally discharged.

After considerable persuasion on the section of the commissioners by those who have been the decision of the remonstrants and the conduct of the liquor business forthwith. The commissioners have evidently given careful consideration to every appears to a wooden building in making repairs to a wooden would have been the decision of the dear public. There has been improvement in the conduct of the liquor business in New London since the reform work of the Crumittee of Fifteen was commenced. There is room for reform work along other lines before the committee is formally discharged.

After considerable persuasion on the part of the common council committee the street railway management has consented to adopt the fifteen instead of the twenty-minute schedule, light and expert salt and fresh water.

Cities, Norwich, for instance.

Perhaps some of these same men, as boys, heard George Francis Train lecture in Lawrence hall and perhaps applauded his remark: "What New London Klinck for mayor the Down Town Reading club voiced the sentiment of the people of New London. Should Mr. Klinck accept, the plans of democratic leaders hoping to elect a democratic
